# Corporate Team Building

Get Inspired... Be Challenged... Have Fun!

Located in central Scotland, DoubleTree by Hilton Dunblane Hydro is perfectly situated to get away for a fantastic team building event yet just a short drive from the major Scottish cities. Set in 10 acres of privately landscaped gardens we can provide the perfect setting for a host of great activities.

We've teamed up with Blue Sky Experiences one of the UK's leading event company's specialising in team building. Join us at one of the most luxurious hotels in central Scotland combined with expert knowledge to ensure you have a fantastic event engaging and motivating your team.

## OPERATION CROSSWIRE

Enjoy inspiring and ingenious treasure hunts using Samsung Galaxy smart phones. Teams of 4-6 members compete against each other in solving missions.

Each mission is communicated through the mobile phone, carefully selected to blow the minds of your gamers! Take pictures, find objects, use your creativity and beat the other teams.

## HIGHLAND GAMES

Scotland's Highland Games are world-famous. Featuring a unique combination of culture, sport and social entertainment from heavy athletics like tug-o-war and caper tossing to Highland dance and piping.

We can plan and run your very own Highland Games event in the hotel grounds and combine it with other superb activities such as falconry, whisky tasting or a traditional Ceilidh to make a memorable day out or overnight stay.

## TEAMOPOLY

Teamopoly is an interactive and exhilarating game for teams to take on the role of property tycoons to develop a rich Caribbean property portfolio.

The game is fast, furious and action-packed. Teams will generate more cash by being successful on fun team building activities which can be tailored to your requirements.

The above are suggested activities and many more can be delivered at Dunblane. Please call us to discuss your requirements.

**To Book** call our events team now on **01786 822 551** or email **events.dunblane@hilton.com**
